

BAJA STUDIOS

A POOL OF LOCAL EMPLOYEES

There are numerous well-qualified individuals from the Tijuana, Rosarito and Ensenada area who have worked on *Titanic*, *James Bond*, *In Dreams*, *Deep Blue Sea*, *Pearl Harbor*, *Kung Pow*, *Master and Commander* *The Far Side of the World* and *Tremors TV show* among other projects. They are bilingual and possess a variety of skills including production, art department, camera, construction, set dressing, hair, make up, wardrobe, and some FX, grip and electric crew. The Studio has assembled the resumes of many local individuals worth your consideration.
